

**CD Memories**

track 05 Memory

Suddenly quiet  
Everyone is petrified.  
Suddenly quiet  
The tears running down.  
Suddenly quiet,  
Strange really strange feeling.  
Why him?

Snad smrt není tak krutá.  
Perhaps death is not that cruel.  
Snad existuje druhý břeh.  
Perhaps there is another shore.  
Možná se tam jednou všichni sejdeme.  
Maybe one day everyone will be there.  
A zase se budeme spolu smát.  
And we'll all be laughing together.

R. :Zítra půjdou davy lidí,  
v černém, které znám.  
Zítra půjdou davy lidí.

R. :( Tomorrow masses of people will march in black,)  
(those that I knot)  
(Tomorrow masses of people will march!)
