track 07 Time of Joy

A) IN THE PRESENT

When the time of judgment done.
All the evil of this world disappears.
Falling into hell fire.
Let the human race forget everything.

All the borders of the past will fall.
All the mighty Romaine poor.
The last tones of the symphony of fate will fade.
The symphony of glory will be heard forever.

B) THE TIME OF JOY Part 1- Reality

The fire of hate and suffering is extinguished.
The gates of justice are open.
The secret message is fulfilled.
The halo of truth is dawning.

But the eternal echo of the past.
We cannot allow its resurrection.

What is it mum?

Is it the time of joy?

Yes, It is.

Time of joy, Time of joy, Time of joy...
